***Student Medical Insurance Plan** is required for all Fuqua MMS:DKU students. It can be waived if you have other health insurance coverage. Please contact our Financial Aid Office if your Duke-sponsored Student Medical Insurance Plan cost is different from this amount. We will adjust your COA accordingly. The actual cost of the Student Medical Insurance Plan is established in late spring each year. The University Bursar's Office provides additional information regarding student medical insurance with fall tuition statements.

****Federal Student Loan Fees** are automatically added to the budget assuming the student is borrowing the Unsubsidized and/or Graduate PLUS Loan.

*****The Student Loan Borrowing Limit** will be reduced by any other financial aid received (i.e. scholarships, sponsorships, or other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility. This borrowing eligibility will remain the same for on-campus or off-campus housing costs. Students with off-campus housing will have a study away fee with no housing costs.

Additional Considerations to Increase the Cost of Attendance:

Students must request these additional considerations in writing:

Federal Student Loan Programs (i.e. Graduate PLUS Loan) may be used for the following increase:

-**One-Time Computer Increase:** Students must submit an invoice or quote for the price of the computer in order to receive this increase up to the \$2,000.

Private Student Loan Programs ONLY may be used for the following increases:

-**Duke Student Health Insurance Family Coverage:** This increase may be made to the cost of attendance when proof of coverage is presented to the Financial Aid Office.

-Statements and explanations provided by the student for immediate family expenses do not constitute supporting documentation for budget adjustments. Depending on the reason for the increase request, and in order for the Financial Aid Office to determine if an increase is allowable, students may be asked to submit additional supporting documents beyond those originally submitted. Per student's request and depending on special circumstances, we may consider an additional of living expense increase up to 60% of the standard living expense allocation (this is only considered for Fuqua students whose spouse is living with them during their studies at Fuqua, not employed and not a student).

Please Note: Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
