International Students - The Fuqua School of Business offers both cosigner and no-cosigner international student loan opportunities. For more information about the cosigner and no-cosigner loan options, please access [Duke University's Recommended Lenders link](#):

- **Cosigner Options:** Loans with a U.S. cosigner typically offer a lower interest rate. The U.S. cosigner must be a creditworthy citizen or permanent resident. Keep in mind that for some lenders, a student must have a social security number in addition to having a cosigner. Students may borrow up to 100 percent of program cost minus other aid.
- **No-Cosigner Options:** Depending on the lender, international students using a no-cosigner loan option may borrow up to 100 of program cost minus other aid, i.e. scholarships, sponsorships and other student loans, through a no-cosigner International Student Loan program.

All financial aid applicants will need to apply for student aid and submit the Fuqua EMBA Financial Aid Form for each academic year if financing their MBA for all Terms. Also, each Term has a loan disbursement date (federal regulations states that loan funds must disburse no earlier than ten days before the start of class, per Term). Our office provides these dates to the lender so that they may disburse funds directly to the University, appearing on your student Bursar account.

Concentrations, Electives, & Certificates:

Please note that financial aid (i.e. loans, scholarships, etc.) administered by Fuqua is only applied to the required Terms and costs associated with the MBA degree. Therefore, optional Terms and costs for concentrations, electives (that are not a part of the degree curriculum), and certificates (i.e. HSM Certificate) are not covered by any financial aid.

*The Student Loan Borrowing Limit will be reduced by any other financial aid received (i.e. scholarship, Sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

**Depending on the lender, the International Student Loan borrowing eligibility allows students to borrow up to 100% of their cost of attendance, minus any other aid (i.e. scholarship, Sponsorships, other student loans), not to exceed the lender's aggregate program maximum.

***Please note that other considerations for the Cost of Attendance must be requested in writing (email), documenting proof of expenses (i.e. receipts, invoices, pre-order request forms):

- **Computer Expense:** If you are interested in applying for student loans to help cover computer costs, and not using the Fuqua Managed laptop program, please provide us with a printout of the computer description and the estimated cost from a reputable site (i.e. Best Buy). Fuqua Managed laptops must be approved by the program manager.
- **Airfare Expense:** Submit a copy of your itinerary from any online site (i.e. Travelocity, Orbitz, etc.) showing the departure/arrival dates and the estimated airfare. The itinerary should be for each Term within the respective academic year. Submit this request each academic year. We will only consider coach/economy class (not business economy or first class).
- **GATE Cost:** Students must be registered for the GATE program before requesting loans to cover the cost.

Please note that once we increase your borrowing eligibility by the airfare/computer expense, the funds for these expenses are typically disbursed in Term 1. The loan amount will disburse to your student Bursar account to satisfy any outstanding balance. Subsequently, since the loan amount is expected to reflect as an overpayment (credit amount) on your student Bursar account, the University Bursar's Office (billing office) will eventually issue a refund to you. The refund amount is what you will use to cover your airfare/computer expense.
